INFORMATION FOR THE HOSPITALITY

The admission request must be preceded by a request from the general practitioner and the subsequent evaluation of the patient's ASL, which decides the level of the structure to which the patient must be assigned. All those residing in the region can be admitted to the RSA of Lazio.

Hospitalization takes place exclusively through the ASL RM 2, which admits patients on the basis of a waiting list for women and one for men when a bed is freed.

The amount of per diem to be borne by the patient is calculated by the Municipality of belonging on the basis of the income resulting from the ISEE model.

LOCATION AND TRANSPORTATION

The RSA Alessandrino is located in via delle Susine n.87 (Quartiere Alessandrino). It is about 10 km from the center of Rome (Piazza Venezia) and about 3 km from the Grande Raccordo Anulare - Exit n. 18, Via Casilina. Public transportation to reach the Residence are:
